ARTICLE I GENERAL PROVISIONS

I.1 Preamble

The School Board of Martin County, hereinafter referred to as the “Board” and the Martin County Education Association, hereinafter referred to as the “Association”, having met and negotiated in accordance with Florida Statutes Chapter 447 and having reached certain understandings, hereby agree as follows:

I.2 Recognition

- A. The Board hereby recognizes the Association as the sole and exclusive Bargaining agent for all teachers, deans, team leaders, guidance counselors, media specialists, activities directors and occupational specialists.
- B. The Board further agrees not to negotiate with any other organization as bargaining agent other than the Association for those employees in the unit as listed in “A” above.
- C. The School Board acknowledges that the provisions of the master contract are legally enforceable. For violations the parties reserve the right to pursue all remedies available under law or under provisions of this contract.

I.3 Definitions

The following terms, as used herein, shall apply to this contract only:

- Board: shall mean the School Board of Martin County.
- Association: shall mean the Martin County Education Association.
- Agreement: shall mean the four corners of this negotiated contract.
- Employee: shall mean any contracted employee of the Board in the bargaining unit.
- Employer: shall mean the School Board of Martin County.
- Seniority: shall mean the length of continuous (unbroken) service with the Martin County School System; absences due to approved leaves shall not count as a break in service.

I.4 Negotiations

- A. This agreement shall constitute the full and complete agreement between the Board and Association and may not be altered nor amended during the term of its existence.
- B. Subsequent collective bargaining negotiations between the Board and the Association will begin no sooner than one hundred thirty-five (135) days prior to the termination of this Agreement.
- C. The parties agree that any school may request a waiver of the collective bargaining agreement contractual provision, School Board rules or Florida Department of Education rules, provided the waiver is signed by the Principal and the MCEA Senior Representative and approved by a secret ballot of two-thirds vote of the faculty. The Principal or his/her designee and the Association representative shall count the ballots. In addition, the waiver must be recommended by the Superintendent and approved by the Board and the Executive Board of the Association. The

failure of the Superintendent and the Association to recommend the waiver to the Board for approval is not subject to the grievance arbitration procedures. A minimum of seven days' notice shall be given to the Association before a school site waiver vote is taken.

ARTICLE II EMPLOYMENT CONSIDERATIONS

II.1 Employment philosophy and considerations

- A. Marital status, race, creed, religion, color, sex, age, national origin, physical disabilities or number of years teaching experience shall not be made a condition of employment.
- B. Neither the Board nor the Association will discriminate against any employee of the bargaining unit on the basis of race, age, sex, religion, physical disabilities, national origin, political belief, participation or non-participation in employee organizations or participation or non-participation in a grievance. Nothing in this section shall prohibit the employee from legal recourses outside the contract.
- C. All conditions of employment as set forth in this article shall apply to all employees except as specifically stated.

II.2 Work year

- A. The work year for all ten (10) month employees shall be 196 days. Additional days may be added at the discretion of the Board at the same daily rate.
- B. The school calendar, as adopted by the Board, shall include teacher workdays for planning/preparation, professional development, early release days, parent/teacher conferences and holidays as follows:
 - 1. There will be six (6) paid holidays.
 - 2. A minimum of two and a half (2.5) uninterrupted pre-school days shall be scheduled as teacher workdays before the start of the student calendar and shall be designated by the District and used at the discretion of the individual teacher for classroom planning and preparation.
 - 3. There will be one (1) planning/preparation teacher workdays after the first semester/during second semester.
 - 4. Four and a half (4.5) days shall be designated as in-service/professional development days.
 - 5. There will be one (1) post-school teacher workday on the last day of the teacher work year. This day shall be used for the employee's own preparation purposes.
 - 6. There shall be six (6) student early release days. The time after student release on these days shall be utilized for professional development.
 - 7. One (1) flex day will be available to teachers each school year. A flex day is defined as a teacher work day immediately preceding the first teacher pre-school work day. Flex days shall be used for planning and classroom preparation. A teacher may elect to work a flex day and then take one of the other teacher workdays off during the school year, including the last post-school day. Teachers must notify principals in advance as much as possible if a flex day will be utilized during any given school year.
 - 8. Employees will not be required to attend any function outside the regular workday except for two (2) mandatory report card conference nights and one (1) open house/curriculum night. Report

card conference nights will be held from 5:00 p.m. – 8:00 p.m. after the first and third quarters of each school year and each represents one-half (1/2) of a teacher contract day.

- C. When schools and school offices are officially closed for emergency reasons by the Superintendent, employees shall be paid as usual and no leave day previously arranged by an employee shall be deducted. Make-up days shall be scheduled by the Superintendent; however, the Association shall have the opportunity to provide input prior to the Board approval.

II.3 Pay schedule

- A. Salary checks will be paid every two weeks for twenty-six (26) pays for all employees, regardless of whether the pay date is a holiday/non-work day. If the pay date is a banking holiday, then the pay date would be one day earlier, unless doing so would create more than 26 pays in a calendar year. Should that situation occur, then the pay date would be the next banking day. All checks are issued in accordance with the annual pay schedule. The final pay will be issued on the regularly scheduled pay date for the pay period in which the work is performed with certain exceptions. Notes shall appear on all pay stubs regarding supplements, additions, and changes not reflected on Appendix B-Salary Schedule. Employees on a ten or eleven month schedule with a start date other than July 1st shall receive multiple checks (if entitled to the checks) on the last student day of school. The multiple checks issued on the last student day of school shall be eligible for direct deposit.
- B. All benefit deductions and contributions will be accrued on a 24-pay cycle basis. All insurance deductions are to be deducted one month ahead of coverage period to ensure adequate funding/payment for employee-paid benefits. Any adjustments to employee deductions must be authorized by the employee in advance (including making up missed deductions).
- C. Employees who have taught summer school shall receive their retroactive paychecks within thirty (30) days of ratification of this Agreement.
- D. All employees will be paid in accordance with the salary schedules attached in Appendix “B”.

II.4 Placement on the salary schedule

- A. Newly hired instructional personnel shall be placed onto the Placement Schedule for 196 Contract Day Employees as outlined in Appendix B.
- B. Instructional personnel possessing advanced degrees who are hired on or after July 1, 2014 shall receive supplements in the amounts below:
 - 1. Master’s Degree - \$1,800
 - 2. Specialist Degree - \$2,100
 - 3. Doctorate Degree - \$3,600
- C. The Board will reassess the amounts of the supplements described in II.4.B by January 24, 2016.
- D. Speech and Language Pathology Teachers who hold a Certificate of Clinical Competency, a master’s degree or equivalent with a major emphasis in speech-language pathology, audiology,

speech-language or hearing science will be paid at the master's degree level on the salary schedule.

1. All current and future Speech/Language Pathologists will receive and be granted credit on the salary schedule for all verified years of public and/or private experience.
 2. Prior experience will be granted based upon the following formula: the average number of hours worked per week, divided by the average hours per work week (37.5), multiplied by the number of months worked, divided by ten (10) months, resulting in a number representing full-time work years. Multiple jobs are calculated individually and the sum of the work years are added together and rounded to the nearest full year.
 - a. An average work week for purposes of experience calculation is thirty-seven and one-half (37.5) hours per week.
 - b. A full year for placement purposes is considered to be ten (10) months of work experience.
- E. With respect to placement on the teacher salary schedule, teachers entering into a written contract for employment in the District will be credited with prior teaching experience to the extent required by F.S. 231.36(3)(g). A year's experience for salary schedule movement and placement is defined as working one-half of a work year plus one day.
- F. Instructional staff assigned to Indiantown Middle and Warfield Elementary schools on or after July 1, 2014 shall, for the duration of the assignment, have their individual salaries adjusted to reflect a \$2,000 Western Zone supplement. Instructional staff assigned to Indiantown Middle and Warfield Elementary schools on or before June 30, 2014 shall, for the duration of the assignment, have their individual salaries adjusted to reflect a \$1,375 Western Zone supplement, and shall continue to receive the Western Zone Supplement described in Appendix B.2 – Negotiated Instructional Supplements, namely, 4.5% of \$37,000.
- G. The individual employee's wages will remain at the previous year's salaries until an agreement on wages for the year has been reached and a monetary value for each step on the salary schedule has been agreed to by the parties. Salaries will be adjusted to reflect the agreed upon monetary value. Notwithstanding indicated placement of new hires on the salary schedule according to the Years Experience column, until such time as wages have been adjusted for current employees, no new hires shall be placed on a step above current employees with equal years of teaching experience.
- H. In the event that the School Board of Martin County and MCEA fail to reach agreement prior to July 1, and through the negotiated process, it is mutually agreed that salary increases will be paid retroactively.

When the wage adjustment is to be retroactive, only those employees who have not been discharged or who have not resigned prior to the date of the contract ratification will receive retroactive pay. Those employees retiring under the Florida Retirement System Pension Plan during the period of time of the negotiations for the collective bargaining agreement are eligible

for a one-time bonus payment in an amount equivalent to the calculated amount of that retiree's retroactive pay. Retirees who wish to remain eligible for the 'retirement retroactive pay bonus' must qualify for retirement under the Florida Retirement System and notify the director of Human Resources and Staff Development ninety (90) days prior to the projected retirement date in order to receive this bonus. Said written notice must provide the District with a valid mailing address to which the District will mail the retirement retroactive pay bonus. This bonus will be paid only once. It is the sole responsibility of the retiree to provide and maintain with the District a current and valid mailing address.

II.5 Professional courtesy

The Association and the School Board will endeavor to provide an opportunity for employees to attend college classes when there are extenuating circumstances. Employees shall notify the Association and the School Board upon knowledge of such circumstances.

II.6 Job sharing

- A. Job Sharing: Job sharing shall refer to two (2) employees voluntarily sharing one (1) fulltime position. A list of employees interested in job sharing shall be available to the Personnel Office. Teacher participation in the job-sharing program is voluntary.
- B. The Association and the Board agree that job sharing provides career flexibility and opportunities for fulfillment of professional and personal needs. It can increase motivation and productivity in the classroom.
- C. The requirements for employees seeking job sharing positions include: three (3) years of continuous service in Martin County, satisfactory evaluations, certification in the field in which they anticipate job sharing, familiarity with the curriculum (grade level or subject) where they anticipate job sharing, approval of their current site administrator to participate, approval by the Superintendent.
- D. The deadline for application for job sharing will be May 1.
- E. The following must be agreed to by all job sharing applicants:
 1. The application form must be signed by all participants.
 2. All job sharing participants shall receive fifty (50%) of the fulltime salary, fifty (50%) of current benefits, and fifty (50%) of the normal sick leave. In order to receive insurance benefits, the participants must provide for payment of fifty (50%) of all premiums.
 3. The participants must agree to an annual commitment to job sharing.
 4. All job sharing participants must attend pre-school days, first day of school, parent-teacher conferences, open house, and in-service days.
 5. The job sharing participants shall substitute for each other whenever possible at fifty (50%) of the substitute's daily rate.

6. Should either job sharing partner be unable to fulfill the year long commitment, the other shall complete the fulltime assignment, whenever possible.
- F. Job sharing participants are required to serve their proportionate share of the employee work week for salary step movement.
 - G. Participants who choose not to participate a second year shall be returned to their previous School Board position (before job sharing). Participants who job share for more than one (1) year shall be returned to positions in their area of certification.
 - H. No more than one (1%) of the employees may job share each year.

ARTICLE III RESOLUTION OF GRIEVANCES AND PROBLEMS

III.1 Grievance procedure

- A. A grievance is a dispute between the management representative of the Board and employee by name, group of employees by names, or Association involving the interpretation or application of this Agreement.
- B. All employees within the bargaining unit may have the right to be represented, in the determination of a grievance, by the Association. However, nothing in this part shall be construed to prevent any employee from presenting, at any time, his/her own grievance, in person or by legal counsel, and having such grievance adjusted without the intervention of the bargaining agent if the Association has been given reasonable opportunity to be present, and providing the adjustment is not inconsistent with the terms of this Agreement.
- C. If a dispute should arise concerning the interpretation or application of this Agreement, the complainant shall first informally discuss the problem with his/her immediate supervisor. If the complainant is not satisfied after informally discussing the complaint, the complainant may file a formal grievance with the principal or his/her designee.
- D. The number of days indicated at each level is considered to be the maximum. Time limits, may, however, be extended by mutual agreement between the grievant and the appropriate level management representative. Verbal agreements shall be confirmed in writing.
- E. An employee who is not assigned to an individual school may file a grievance with the director to whom he/she is responsible. The grievant and director will follow the procedure outlined in LEVEL ONE of this article.
- F. In the event an employee has a complaint, he/she shall abide by the management decision involved prior to and during the time the grievance has been filed and has been processed.
- G. A grievance may be withdrawn at any level but the same grievance may not be filed a second time by the same party.
- H. For the purpose of this Grievance Procedure, working days are defined as those days, Monday through Friday, exclusive of legal school holidays.
- I. All grievances will be processed during times which do not interfere with or cause interruption of the grievant's work responsibilities. Release time may be granted by the principal when deemed necessary. Such release time, as granted by the principal, shall be without loss of pay for such participation.
- J. If not satisfied at the conclusion of the informal discussion, the employee may become a grievant by filing a written grievance with the principal within seven (7) working days. The written grievance shall be filed on the form provided (APPENDIX A). The original grievance is filed with the principal and a copy shall be forwarded to the Association, the Superintendent, and to the Board Attorney. If the grievant does not file a grievance within seven (7) working days after the

informal discussion period, the right to proceed with this grievance for this incident is waived by all parties.

- K. Copies of the management decisions at each level and the grievant's written statements given at any step of the Grievance Procedure whatsoever, shall be forwarded to the grievant, Association, Board Attorney, and the Superintendent.

LEVEL ONE

Within seven (7) working days after the filing of a grievance, the principal will meet with the grievant and formally discuss the grievance and any supporting evidence available so that a formal resolution of the dispute may be found between the two parties. The management position shall be entered in a written statement by the principal that is to be signed by both parties within seven (7) working days of the meeting. The grievant shall indicate with his/her signature his/her satisfaction, or lack of satisfaction, with the decision in writing. Copies of this statement will be made a part of the original grievance form by attachment and forwarded as in "K" above. If the grievant is not satisfied with the disposition of the grievance at this level, or if no disposition has been made within seven (7) working days of such meeting or fourteen (14) working days from the date of filing, whichever shall be later, the grievance may be submitted by the grievant to the Director of HRMD, Risk and Benefits; and further, a grievant who is not assigned to an individual school may continue directly to LEVEL THREE.

LEVEL TWO

Within seven (7) working days of the receipt of the grievance appeal, the director shall review the appeal and shall render a decision, based on all the material presented, within seven (7) working days of said review. A copy of this decision shall be supplied to the grievant. If the grievant is not satisfied with the decision at LEVEL TWO, or if no decision has been made within seven (7) working days of such review, he/she may, within seven (7) working days, submit the grievance to the Superintendent.

LEVEL THREE

Within seven (7) working days of the receipt of appeal, the Superintendent or his/her designee shall hear the appeal. The grievant may or may not attend the hearing at his option; and within seven (7) working days of said date, the Superintendent or his/her designee shall render his/her written decision based on the material presented, and such decision shall be provided as in "K" above.

ARBITRATION

When the Association submits a timely written notice for arbitration of an unresolved grievance, the Association and the employer shall jointly request the Federal Mediation and Conciliation Service (FMCS) to furnish a list of seven (7) arbitrators from which the arbitrator shall be selected. Such selection shall be accomplished within ten (10) days; the Association and the School District each striking one (1) name from the list in turn until only one (1) name remains. The Association shall strike first. The arbitrator's decision shall be submitted in writing to all parties and shall be final and binding on all parties to this agreement, providing that the arbitrator shall not add to nor subtract from, modify, or otherwise alter the terms of this Agreement. The expenses of arbitration, including the arbitrator's fee/costs and expenses, and the cost of the arbitrator's transcript shall be borne equally by the employer and the Association. However, all other expenses incurred by either party in its preparation shall be borne by the party incurring same.

For evaluation purposes, feedback is typically provided to a teacher by the evaluator and follows the format for a continuous cycle of improvement.
15. **Formal Observation:** Evaluator observation of a teacher’s instructional practice and/or primary work performance. The formal observation consists of a classroom or non-classroom observation for 30 minutes or an entire class period, whichever is greater. The evaluator shall enumerate the specific behavior(s) that require improvement with a minimum of three (3) support recommendations or strategies per behavior for improving the teacher’s performance, including specific assistance that will be provided by the evaluator in this endeavor. Reasonable timelines to make the needed adjustments will be provided. The timeline must include methods for monitoring the evidence of improvement, or lack thereof, which shall include, but are not limited to, additional formal and informal observations, and formative conferences with feedback based on artifacts and other evidence.

2. While the Annual Summative Evaluation may be appealed, only overall ratings of Needs Improvement or Unsatisfactory may be submitted for arbitration.
3. If a rating is successfully appealed, the rating shall be corrected and the evaluation recalculated.
4. Appeals shall be based upon a procedural violation of the process or documented evidence of bias, retaliation or technical inaccuracies, anonymous complaints or consideration of other such impermissible factors in developing the Annual Summative Evaluation.

B. Appeal Steps

1. Step 1 - Notice of Appeal, no later than the 10th student contact day following receipt of the Annual Summative Evaluation, the employee must file in writing with their principal and copy the Superintendent that a concern exists. 2. Step 2 - If the employee is not satisfied with the outcome of the discussion, the employee may appeal the Principal's decision by filing a notice of appeal with the Superintendent within 5 student contact days following receipt of the Principal's decision. The parties will meet to discuss the concerns within 10 work days. A decision will be issued in writing within 5 work days.
 3. Expedited Arbitration - If the employee is not satisfied with the outcome of the previous step the employee may, within 5 work days, request Expedited Arbitration as an option to resolve the evaluation appeal. Each participant shall be eligible to be paid seventy dollars (\$70) as a bonus for each complete day of participation. Checks shall be issued to participants by the District. Standard/routine payroll deductions shall be made as applicable.

The District shall provide no more than five thousand forty dollars (\$5,040.) exclusively for this purpose. The District shall also provide a classroom, an easel, a lap top computer, and such audio-visual equipment as may be available on the training days. All equipment shall remain the property of, and be returned to, the District. The cost to the District for reproduction of materials shall not exceed \$500.00

The MCEA shall have the primary responsibility for the design and delivery of the training; however, the MCEA and the District are committed to collaboration with respect to the program.

Salary Schedule Supplements

The following is an agreement reached between the Martin County School District (“the District”) and the Martin County Education Association (“the MCEA”) regarding the instructional salary schedule supplements.

In order to expedite the conclusion of 2012-2013 negotiations, the parties agree to withdraw salary schedule supplement proposals from this year’s negotiations process. However, in recognition that some changes in the salary schedule supplements may be warranted, the parties agree to form a joint committee for the purpose of reviewing the instructional salary schedule supplements. This committee shall be comprised of two (2) representatives from the District and two (2) representatives from the MCEA. Each party shall select their respective representatives. The committee shall review the current salary schedule supplements and bring back recommendations for changes to the 2013-2014 negotiations table. It is understood that any changes to the salary schedule supplements are subject to the collective bargaining process.

Memorandum of Agreement

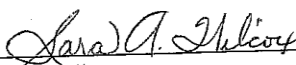

This memorandum is intended to reflect the agreement and understanding between the Martin County School District (District) and the Martin County Education Association (MCEA) concerning the Classroom Walkthrough Program (CWT). The CWT is not designed or intended to be part of the formal observation and evaluation program for individual teachers, which is prescribed in Florida Statute 1012.34 and Article VIII of the Collective Bargaining Agreement (Professional Assessment). Instead, the CWT program is designed and intended to help designated administrators, hereinafter referred to as Principals and Assistant Principals, at the schools, observe the effectiveness and implementation of the District's/school's curriculum planning, school improvement planning and professional development planning. During the 2005-2006 school year, the Principals and Assistant Principals have begun using Palm Pilots to implement the CWT program. The use of the Palm Pilot with the CWT electronic response program is strictly limited to providing the Principals and Assistant Principals with an efficient method to gather information related solely to the implementation of the CWT program. The Palm Pilot will not be used to prepare any type of document or maintain any information, which will be used in the formal evaluation process or placed in the teachers' personnel file, whether it be a hard copy file or an electronic file.

Both parties continue to recognize that if, at any time, the Principal or Assistant Principal, in the performance of any of his/her duties, observes a teacher's conduct which needs to be corrected through discipline or formal evaluation process, then the Principal or Assistant Principal should follow the established procedures for those issues including preparing any appropriate documentation.

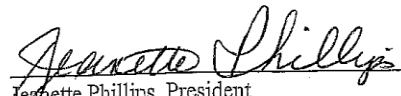

Finally, the parties agree that this agreement resolves this matter without liability to either

party for any position they have previously taken in regard to the disclosure of the Palm Pilot information.

WHEREFORE, the foregoing Memorandum of Agreement is hereby agreed to and entered into by the parties this _____ day of May, 2006.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made by and between the School Board of Martin County, Florida (“School Board”) and the Martin County Education Association (“MCEA”)

WHEREAS, pursuant to the terms of the Race To The Top Grant (“RTTT”), the School Board is obligated to submit a revised evaluation system to the Florida Department of Education (“FDOE”) by no later than September 30, 2011; and

WHEREAS, pursuant to the terms of Senate Bill 736 (“S.B. 736”) enacted by the Florida Legislature during the 2011 session, the School Board is obligated to implement a revised evaluation system during the 2011-2012 school year; and

WHEREAS, the School Board and MCEA have diligently collaborated and negotiated where required to develop a revised evaluation system meeting the requirements of RTTT and S.B. 736, together with changes to the existing collective bargaining agreement necessary to properly implement the revised evaluation system; and

WHEREAS, the parties have a disagreement over whether substantive provisions of the evaluation system are a mandatory subject of bargaining; and

WHEREAS, due to the outstanding collaboration to date between the parties on the revised evaluation system, the parties desire to make certain agreements regarding changes to the evaluation system during the three years following the execution of this Memorandum of Understanding.

NOW, THEREFORE, it is agreed that:

1.0 Recitals. The recitals set forth above are hereby adopted as if fully set forth herein.

2.0 FDOE Submission. The parties acknowledge and agree that the Evaluation System attached hereto as Exhibit A shall be submitted to FDOE by no later than September 30, 2011, as the School Board’s revised evaluation system for purposes of RTTT and S.B. 736.

3.0 CBA Revisions. The parties agree to continue to negotiate regarding changes to their existing collective bargaining agreement that may be appropriate to support or facilitate the Evaluation System. Notwithstanding the foregoing, the parties agree that a new Subsection VIII.3(K) is added the collective bargaining agreement to read in its entirety as follows:

K. For the first two years of implementation of the 2011 revised Evaluation System (2011-2012, and 2012-2013), all professional services contract (PSC) and continuing contract (CC) teachers shall be held harmless, unless placed on a Teacher Improvement Plan (TIP) at the conclusion of the

2010-2011 school year. Teachers placed on a TIP at the conclusion of the 2010-2011 school year will be dually evaluated under the newly adopted evaluation system and the prior evaluation instrument and will be entitled to the better of the two (2) evaluations. No evaluation results for purposes of termination shall commence for PSC or CC teachers until the 2013-2014 school year; and no rating of “needs improvement or unsatisfactory” during the 2011-2012 or the 2012-2013 years for these teachers shall count towards determining two consecutive years of “needs improvement or unsatisfactory.”

4.0 2011 Evaluations. The School Board is hereby authorized to immediately commence conducting evaluations of teachers in accordance with the Evaluation System attached hereto as Exhibit A and the revised collective bargaining agreement. Notwithstanding the foregoing, the parties acknowledge and agree that some modification of procedures is necessary for the 2011-2012 school year. Accordingly, for the 2011-2012 school year only, the deadline for initial evaluation conference shall be November 15, 2011; and the number of required, informal observations for each teacher shall be reduced to at least three (3).

5.0 Evaluation System Revisions. The parties acknowledge and agree that their mutual collaboration has been crucial to the development of the revised Evaluation System, and the parties further acknowledge and agree that their continued collaboration will be imperative as the Evaluation System is monitored and revised over the next two years. Accordingly, the Parties agree, **without waiving any legal rights, arguments or positions**, that the School Board will only revise the Evaluation System for the first two years of its existence, as authorized by this agreement. Specifically, the School Board will only modify the Evaluation System as follows:

- A. to the extent required by law enacted after the execution of this agreement;
- B. to the extent mandated by FDOE when those mandates are not discretionary (e.g. FDOE of minimum “cut scores”); or
- C. to the extent that modifications and/or revisions are needed as determined by the parties

Notwithstanding the foregoing or the provisions of Chapter 447, Florida Statutes, the parties agree that during the two years following execution of this agreement, either party shall be entitled to declare impasse during negotiations over the Evaluation System
